Madrid, January 15th, 2024

Subject: Response to the Public consultation no 117 in accordance with Article 26 of the Network Code on harmonized transmission tariff structures for gas

Ref. ERSE: E-Tecnicos/2023/1431/IA/Msb

Dear President.

In response to your letter dated October 2<sup>nd</sup> 2023 requesting opinion regarding the public consultation on the implementation of the Network Code on harmonized transmission tariff structure for gas, according to Regulation (EU) 2017/460, Article 28 (1), the CNMC has no comments to the Portuguese proposal.

Please accept our sincere apologies for the delay in sending our response to the Public Consultation. For internal reasons we have not been able to send the response before.

Best regards,
