

COMMUNICATION OF THE ANNUAL CUR SUPPLY AUCTIONS SCHEDULE

Pursuant to Article 266 of the Commercial Relations Code (RRC), ERSE communicates the following auctions schedule to acquire electricity by the last resort supplier (CUR) for the supply of its customers demand needs, for the period of 2021/2022.

	Aug-2021	Dec-2021	Mar-2022	Jun-2022	Aug-2022
Q4-2021	25				
YR-2022	50	50			
Q1-2022	20	20			
Q2-2022		10	5		
Q3-2022			15	15	
Q4-2022				20	20

The CUR supply auctions will be held on the market platform managed by OMIP.

The auctioned contracts will be future baseload contracts, with yearly (YR) or quarterly (Q#) delivery in all hours of the respective period to which they refer.

In accordance with the specific rules approved by Directive n. 13/2019, before each CUR supply auction will be disclosed the specific conditions thereof, including the auction date and the reserve price for each contract to be auctioned.

Still under the rules approved by Directive n. 13/2019, restrictions to participants may be adopted and shall be defined case by case, with the goal of promoting competition and transparency of this regulatory measure.

The results of each auction will be published by ERSE within two business days after the auction date.
